11 May 2026

Dear Parents/Carers,

Year 4 Climate Change Workshop – 19th May 2026

As part of our Sustainability – Climate change topic, Year 4 will be participating in a virtual reality workshop on Tuesday 19th May. This will be a fantastic opportunity for our pupils and will help to bring their topic to life in an exciting way.

To cover the cost of the workshop and hire fees of the VR headsets, we will be asking for a contribution of £4.00 per child. In accordance with the New Education Reform Bill there is no obligation for parents to pay the voluntary contribution and no pupil will be omitted from the workshop because his/ her parents are unwilling or unable to pay. However, the practice of educational workshops can only take place if sufficient contributions are received and if they are not we may need to cancel the workshop.

Please give your permission for your child to take part in this activity and make payment of £4.00 via www.schoolgateway.com.

Please note, Prime VR has recommended that pupils with epilepsy or pupils who are prone to seizures consult with their doctor before using a VR headset. If your child has epilepsy, is prone to seizures or may not be able to use a VR headset, please consult with a doctor and inform the school before giving permission, as an alternative device can be provided for accessing this workshop.

If you have any questions, please do not hesitate to contact your class teacher via Class Dojo or after school.

Kind regards,

Mr Hall and Mrs Weston
Year 4 Teachers
