Afterschool Club

Welcome back! All the staff are excited for a fun filled year.

We would like to welcome back all the children and especially new families joining our Club.

Everyone is settling back quickly and it is nice to see them with their friends again in ASC.

In After School Club we aim to provide a safe place where children can play freely, have fun and relax; a place to continue to learn and grow through play.

The After School Club room is set up to have a home corner for role play and imagination, craft table for art and to support our topics, kitchen area, computer area and a homework table.

Our club provides a variety of resources and toys for all ages from construction, Lego, Kinex, dolls, trains and dinosaurs.

We value free play and encourage free choice.

The children are always kept busy and active under supervision!

We will have access to the hall where group activities and organized games take place.

The DT room we will be used for cold cooking or large group crafts.

COLLECTION AND TEA

Nursery, Reception, Year 1 and Year 2 children are collected from their classes.

Years 3, 4, 5 & 6 line up at the demountable door where a staff member will be there waiting to take the register.

Children from Nursery and Reception (EYFS) will be in the Nursery Classroom until approximately 5pm. They will then move to the demountable building with the rest of the children, so they call all play together. For collection prior to 5pm, please ring the bell at the Nursery side gate, otherwise please collect from the main gate, using the bell that is high up on the left hand side.

We will continue to provide water and fruit and a healthy snack daily.

We aim to serve tea for EYFS by 4:00pm and KS1 and KS2 BY 4:15pm, although this time may vary.

We are currently serving our Summer Menu until October half term and will then transfer over to a Winter Menu to serve a few more warmer dishes.

Please understand the menu is subject to change due to stock availability.

Please see menus attached.

If there is anything your child may not like, please advise a member of staff.
